EXPERIENCE

UI/UX Designer | Mumbai

PHIONIKE - Design Studio (2024 - Present)

Working across 2 active clients

Mediaware & Brandintelle (On-site)

- Contributing to an end-to-end revamp of an enterprise digital product
- Collaborating directly with product & engineering teams
- Designing new features, improving flows, and supporting ongoing product maintenance

Parent Playbook – UK

- Designing a website experience for parents to plan activities & connect with families
- Creating user flows, content structures, and interaction patterns

UI/UX Design Intern | Bengaluru

UNIKWAN - Design Studio (2023)

- Contributed to Fastrack website redesign for youth audiences.
- Supported research and competitive analysis.

Experience Designer (Internship) | Mumbai

tubb (2021 - 2022)

- Designed pre-walk and on-walk experience touchpoints for urban architecture tours.
- Mapped service journeys and identified moments of friction to improve participant engagement.

SUMMARY

UX & Product Designer focused on translating complex systems into meaningful, scalable experiences. I work at the intersection of research, product thinking, and emerging AI tools exploring how intelligent systems can enhance human decision-making, not replace it. Experienced in enterprise product revamps, stakeholder collaboration, and designing for behavioral adoption.

SKILLS

User Research, Field Studies, Interviews, Insight Synthesis.

UI Design, Prototyping, Ideation, Wireframing

Figma, Adobe XD, Illustrator, Photoshop, InDesign
